

Bishop McDevitt High School
Class of 1963 50th Reunion

Updated August 2023

Our Fiftieth Reunion Celebration

On the weekend of October 25–26, 2013, our 50th reunion was attended by 66 classmates and our guests. And we still know how to have a good time.

Classmates teed off at the Armitage Golf Course in Mechanicsburg Friday morning. Others attended the McDevitt vs. Cedar Cliff game Friday evening, played at our new school field — too bad things didn't go better for the home team. In the evening a casual gathering was held at the New Cumberland VFW in New Cumberland.

Saturday activities began at 10 a.m. with a Memorial Mass in the Chapel at the new school, celebrated by Fr. Acri, class of '52. Afterwards Cheri Comasco, McDevitt's Director of Advancement, led a tour of the beautiful new school. She also told us about the potential use of the old school and plans for preserving its stained glass windows.

The main Celebration was held Saturday evening at the Radisson Hotel in Camp Hill.

MARY JO BICHLMEIER NISPEL

Spouse: William "Bill" Nispel
Children: Marni Nispel Barilone
Grandchildren: Kyri Alison Barilone

Even having been through some very difficult physical challenges, as have so many others, Bill and I are celebrating life every day. Married 46 years, we have been enjoying retirement for a number of years now. We have traveled extensively around the US, the Caribbean islands, Ireland, Turkey and Greece and are so glad we did it while we could. We are active with our family and in the local gun club, garden club and our parish. We enjoy watching the local pro sports teams, movies, plays, dining out with friends and still love to dance. Every day is a good day. Had a wonderful time at the 50th reunion. Didn't the committee do a great job?!

JOHN S. BRAUNER

Spouse: Judith C Brauner
Children: John Steven Brauner, married to Jennifer L Brauner
Grandchildren: Mylan Ruben Brauner, Theodore John Brauner

I came to McDevitt from St. Patrick Cathedral Parish where I was an alter boy, Bishop Leech's page boy and crosier bearer.

Quiet, shy, probably backward in those days (still am to some degree), I enjoyed my years at McDevitt but was not sure what I wanted to do with my life.

I was in the Marine Corps from 10/63 to 9/67, stationed at Camp Lejeune, NC, for two years but spent most of the time on cruises to the Caribbean and the Mediterranean twice. I spent more time on ships than most sailors.

After Lejeune I spent 13 months in Vietnam ... on an island off the coast of Chi Lai training local forces to protect their villages.

I got out a little early to attend HACC, then Penn State Capital Campus (now Penn State Harrisburg).

While at Penn State I did an internship for the Dauphin County Mental Health/Mental Retardation working with patients being released from the Harrisburg State Hospital. That led to a job at Goodwill Industries funded by MH/MR doing residential placement services and follow up for patients due for release or already in the community.

In March 1974 I became a Dauphin County MH/MR employee and for the next 33 years I did residential placement services, crisisintervention services and later fiscal/data management services.

I retired in March 2007 and now enjoy my son and grandsons whenever possible, winters in Florida, golf, reading, working out at the gym, researching my family history, photography, birding in the wetlands of Florida and walking the beach.

I am really glad and eternally grateful that Carol Seese remembered me years ago and got me interested in McDevitt again which led to my involvement with some of the greatest people that I have ever known. I love and cherish all of you.

I really enjoy getting to know classmates better now than I ever did when I was in school—coming out of my shell a little.

The 50th reunion was quite enjoyable. I got to meet classmates I never knew and renewed old acquaintances. One thing that really struck me was that one of them was in my homeroom for years but she did not remember me. Talk about flying under the radar. I guess I was quieter than even I thought. It only took fifty years for me to be recognized. Just goes to show you that it's never too late.

Mass and the tour were great. Seeing the list of donors from the old Bishop McDevitt was especially moving. My Grandfather, who died before I was born, was one of them. Seeing his name made me proud. I could see my roots there. Little did he know at the time that his grandchildren would all benefit from something he helped start.

PAULINE BRIDY WAGNER

Spouse: Carroll T. Wagner
Children: Marisa and Carla
Grandchildren: Leah and Natalie

A graduate of Harrisburg Hospital Nursing School, I worked at Univeristy of Pennsylvania Hospital in medical-surgical nursing. I married Carroll T. Wagner in Havertown, PA and returned to Harrisburg where my husband was empoloyed as a Harrisburg City Police Officer. I worked at Harrisburg Hospital from the Fall of 1967 to the Fall of 2010. I have been a docent at the Pennsylvania State Museum since 1986 to present. I enjoy traveling with my husband and family, enjoy gardening, and visits from our grandchildren. My husband and I also make frequent visits to New York City to visit our grandchilden. We have lived in the same house since 1969 and the "money pit" looks better with each passing year. My husband recently retired from his second career with Harrisburg Area Community College, which makes my retirement more enjoyable.

CARL DONVITO

Spouse: Kate Donvito
Children: yes
Grandchildren: 4

JULIE GALLAGHER

Spouse: Bob Beck

On graduation from SU, I moved to Boston and found a job in publishing. After 20 years I left that job to start my own business, still in publishing. 12 years later I decided to work on my own—best decision I ever made. I'm still working with books, web design and photo restoration, will retire when my last client does.

Bob and I met about the time I started my business, and married a few years ago. He recently retired from teaching at Framingham State but continues to do his research. We live near Boston and dote on Toby, our little dachshund.

I still come home several times a year to visit family and see old friends. Our reunions have become a special occasion for me.

JUDY HARTMAN (*aka* SISTER SHARON)

Nursing degree BSN and sister of Christian Charity

I'm now a Certified Chaplain at Susquehanna Health System in Williamsport, PA (been in Williamsport area since 1977).

My parents died at Bethany Village in Mechanicsburg last year.

BOB HECKMAN

Spouse: Sharon Heckman

At Catholic University I found my true academic interest—mechanical engineering (graduated top of the class), sport—wrestling (captain and undefeated in dual matches senior year) and social life—fraternity officer. A full scholarship for graduate study allowed me to enroll in an aeronautical engineering program at the University of Arizona. A sorority I became friendly with selected me as their candidate for ugliest man on campus but alas, after all the paid votes were counted (proceeds to charity), I only came in third.

I was hired by Pratt & Whitney Aircraft in an industry I dreamt about since flying model airplanes in grade school and in Connecticut where I rode through many time as a kid on family vacations to Maine. During my 36 year at P&W I had careers in engineering R&D, college recruitment (traveled the country), labor relations (ugh), marketing and customer support (traveled the world). I was assigned to a consortium with British, German, Japanese and Italian companies for 11 years to help bring a new engine to market, sent to India for 7 months and transferred to Sydney, Australia, for 3 years. I also earned an MBA and MS in Oceanography at nights thanks to P&W support, learned to ski and helped start the P&W ski club, serving as president for 2 years, and took up sailboat racing.

In 1983 I met and married Sharon (both our second) who matched my desire for adventure. Our first date was on a sailboat where she was sick all night from some clams that didn't agree with her. I taught her to ski and we bought a place on Mt. Snow, VT, to escape to on winter weekends. She followed me to Sunfish national and world championship regattas around the country, Canada and the Caribbean, then finally bought a cruising boat. We sailed around New England for 5 years but sold it when we transferred to Australia. There we fell in with a group of sailboat racing Aussies who gave us a three person boat (Yngling) to race. Sharon became foredeck crew, we picked up an eager young girl as middle crew and I sat in the back giving orders. One of our fondest Aussie sailing memories was having the current America's Cup winning skipper, Jimmy Spithill, sail on our boat as a guest helmsman in a regatta in 1998 when he was 19. He was amazing even then and of course won the regatta. After sailing in the Aussie National Championship they invited us to be members of their team to compete in the 1999 Yngling World Championship in Sweden. I coordinated my reassignment back to Connecticut with a stop in Sweden, a great way to part with many Aussie sailing friends.

While in Connecticut I still covered Southeast Asia, flying to Sydney, Singapore, Jakarta and Hanoi. By then Sharon and I were planning retirement, searching the eastern US for the boat to sail off to the islands. By 2005 we finally bought her, retired from Pratt, moved onboard and set sail south. Over the next 8 year we followed the sun sailing over 30,000 nautical miles visiting the Bahamas, the Greater and Lesser Antilles, Bermuda, Columbia, Panama, Curacao, and the eastern seaboard from Maine to Florida. We sold the boat this year, did an 8,000 mile road trip visiting friends and relatives, civil war sites, president houses, aviation museums, national parks and art galleries across the country and am now settled in Park City, UT for the next phase of our retirement, skiing in the big mountains.

KATHLEEN HECKMAN FOGARTY

I just want to compliment you on our 50th reunion. It was really a nice event. The amount of work done by you and the committee was staggering. I'm not sure how you did it all for $50 per person, but I was impressed. The extras (wood cut-out of the old high school, etc.) were a nice surprise. I also liked the way you recognized deceased classmates. Thank you for remembering them.

Please pass my compliments to the committee members.

KATHI KERWIN CLAYTON

Spouse: Walt Clayton
Children: 3 sons
Grandchildren: 8

We are in the Chestnut Hill area of the city. I am semi-retired and teach a business course each semester at Penn State's campuses in this area.

JOE LITTLE

Spouse: Antoinette
Children: Carianne, Diane, Gina, David
Grandchildren: Sophia, Isabella

After McDevitt, I got my AA in Classical Languages, BA in Thomistic Philosophy, MA in Education, another MA in Administration and attended Rutgers University for my Ph.D.

In the meantime I got married and have 3 daughters and a son. The family is doing well: 1 Lawyer, 1 Insurance Adjuster, 1 in Emergency Room Admissions and a son who is an international music composer of opera.

Now empty nesters, we live in remote northwest NJ where the air is sweet and the wildlife prolific. We travel often: Egypt, Kenya, Tanzania and Istanbul are favorites (so far).

I look forward to retirement in 2 years and will work full time at our chocolate shoppe in Phillipsburg, NJ.

I was so glad to see all the "old" faces again on the website since my yearbook was destroyed by the Sandy storm.

Looking forward to the 60th. Best to all.

JOYCE LOVETT

Children: Lilli
Grandchildren: Alex and Caroline

Retired after 30 years teaching in CH elementary schools, I missed it so much that I jumped when asked to sub and enjoyed 12 more years with the little ones.

In younger years I cared for 15 figure skating students as their house mom, cook, and chauffeur during summer skating in the Philadelphia area. Later I was known as "Mom" to the cast of Ice Capades, which included my daughter. I cheered for them, listened to them, and loved them for two years, present for 52 shows in various cities. European travels were also enriching.

Eight years of summers and school breaks were spent in Los Angeles, where I can truly say I was kissed by God (George Burns). Since experiencing the Northridge quake I have stayed on the East Coast!

My relatives live in wonderful locations and I've spent many glorious times with them in the Boston area, Ormond Beach, Savannah, Manhattan, and on Cape Cod. I have also spent time in the convent in MA (yes—I should have been a nun!) with my aunt, who is one.

I am so grateful to be a grammy and also to have moved home and shared the last seven years of my beloved dad's life with him. He died the same day as JPII and I miss him. Another treasure in my life has been spending time in Rome with cherished friends.

Now I live in my parents' house with my Wheaten Terrier Patrick and know there's absolutely no place like home. I enjoy the theater and reading.

It was great seeing all of you at our 50th reunion! I value the excellent education provided by Bishop McDevitt High School.

FRANK L. MAGARO

I retired three years ago after a rewarding career as VP of Customer Services with Wyndham Hotels/Luxury Resorts. My husband and I live in a very small town in Texas on a lake. I am very busy with volunteering and blessed with good health, wonderful friends, four sweet dogs, and a loving family. Would love to hear from my old school mates!

MARY OGDEN REHM

Spouse: Dale Rehm

Grandchildren: Madison and Ashley

I retired after working 22 years from Pa Neurology Asso. to watch my granddaughters. Loved every minute of it.

CAROL A. RUPPERT SEESE

Spouse: Jim Seese
Children: Ryan, Stephanie (step children)
Grandchildren: Riley

In June 1963, two days after graduation, I went to work (my very first job) and didn't stop working until I retired in April 2013. My first job was in the office of a Chevy car dealership. From there I went to the State of PA, Dept. of Public Welfare. In 1968, I moved to Harrisburg Hospital (now called Pinnacle Health) and was there for 21 years. I met my husband at the hospital, and we were married in 1985. From 1989 to 1993, I worked part time for a temp agency. Early in 1993 I decided it was time to go back to full time work and in March went to work in the Law Department at AMP Inc., which is now Tyco Electronics Corporation (TE Connectivity). After 20 years at TEC, I decided that it was time to take a permanent rest, and I have been loving my retirement ever since.

Shortly after graduation, I went to modeling school in the evenings and spent three years modeling part time in the area and on some locations. When dancing down the runway came into vogue, I made my exit. I was not about to dance! Walking the runway was stressful enough.

Over the years I have enjoyed live concerts, traveling, downhill skiing (never got out of the novice mode) and cross country skiing. Now I enjoy our "get away" home in the Pocono Mountains. My husband and I enjoy hiking, paddling our kayak and just lounging on the beach at the lake. We no longer ski—his reason is "fear," and I seem to agree. Quiet time with a good book is my favorite. We do our best to keep life simple.

JOE SARIANO

Spouse: Rebecca
Children: Jason

I served in the U.S. Navy from 1963 to 1967. Upon discharge from active service, I gained employment with the Dept. of the Army as a civilian at Ft. Ritchie, MD., retired in September 1998 after 35 years of service. I've been married to my wife Becky for 44 years. I'm a two time cancer survivor and enjoying life.

LORRAINE H. SCHMIDT

I graduated from George Washington University in D.C. After a 6-month tour of Europe in a VW "Bug" with a college friend, I decided to return to D.C. From then on, my career took many interesting turns: I started out working at the National Archives (I needed a job!) in their Educational Programs unit that does exhibits. That was something I had never considered, but loved it, and learned to do the research and script writing that is a big part of the process.

Eventually I went to a large private firm that both designs and builds museum exhibitions, where I continued to do research, writing, and project management as Vice President for Design and Museum Services. One favorite project was the Jimmy Carter Presidential Museum in Atlanta. I got to work directly with Mr. and Mrs. Carter, and learned first-hand that most public people are much more approachable than what we see in the media. They are both great.

In 1988, one of my colleagues and I started our own design firm called The PRD Group to focus on museum clients. It was fascinating as I got to travel around the country and meet many amazing people. I "retired" in 2006, but continued to work on some major projects as a consultant, including a new state history museum in Alabama.

In 2009, out of the blue, I got a call from The Corcoran College of Art + Design (in D.C.) offering me a job as an advisor to graduate students in the Master of Arts in Exhibition Design program. Long story short—I became head of the department the next year and grew the program from 8 to 62 students before I retired (again) in 2012.

It was all very fun, and I treasure many long-term friends I made along the way, but I'm glad not to face the 80-hour work weeks anymore!

Now I look forward to having time to reconnect with friends and family, including a small army of nieces and nephews across the country. Most of all, I hope to see my McDevitt classmates more often and continue to share this wonderful journey with you!

MICHAEL R. SMITH

MICHAEL MUDRINICH
I’m unable to attend due to illness.

FR. TOM NORRIS
I have parish ministry this weekend.

DEIRDRE O'NEAL COOPER
Unfortunately, I am unable to attend the 50th reunion. It appears a grand time and celebration is planned and fun will be had by all.

ELIZABETH PETRUCCIO WHITE
Sorry that we will be unable to attend the reunion. We wish to all the best of good times. May the Lord and His mother continue to bless us all. All the best.

SISTER CHERYL ROSE

I won't be able to attend our reunion. I hope the reunion is a major success and everyone has a great time. Thank you for your continued support to the class of 63. I hope to see you at a future event.

ANN MARIE VANUCCI SHEETZ
Sorry I am not going to be able to attend. I would love to see everyone. I missed working with all of you on the Reunion, but I know the 50th will be a great success because you all do such a great job. Thanks for all your hard work.
